

ST. MARY *of the* ANGELS SCHOOL

PreK Supply List

Dear Parents and Guardians,

Below is a list of supplies for the coming school year. This list will help to give you and understanding of what each teacher is looking for to be the tools that help in the education of your child. Please take the time to label all supplies with your child's name and grade. Remember that the teachers are asking that the students always have a supply of these items throughout the school year, so purchase early and stock up! Summer prices will disappear as soon as school starts up. Please be sure that your child has the appropriate supplies on the first day of school.

Sincerely,

Beth Dolack
